remarked that he had missed a recent briefing by Mr. Wolfe (Gregory B. ?), of the Bureau of Intelligence and Research, Department of State, concerning Cuba and intends to contact Wolfe to find out what he had to say.

4. Mr. Pepper seemed to be genuinely pleased that we had followed up on his specific request and asked that we get in touch with him if we have information of a similar type in the future. He appeared to be pragmatic and resigned to the Cuban issue and if approached by the "Group of Fifteen" he said he would attempt to give them comfort, but only in a most general way. At the close of our session he jested that he had one additional request and that would be for the Director to write him a page and a half memorandum on "How to Get Rid of Castro Cuba".
